## A new year, a bigger team!

Hope everyone had a lovely Christmas and New Year! Our expanding team had to spread over two tables this year at our christmas social. We went for a game of bowling before heading for a nice meal out together. Below right are more photos from the event.

To get more updates & to see other social events we've done click [here](#)!

### Rum point, Cayman Islands

Rum Point has now won its second award. We are extremely proud of this property and we hope to expand this award list in 2016!

- The Caribbean Property Awards 2015- Single Residence
- Governor's award for Design Construction Excellence in the Cayman Islands 2015- Joint Winner

Lots of festive fun for both the Bedford & Birmingham teams!

Grand Designs at ExCel is fast approaching so remember to get a ticket and come see us at our stand B109 at some point to discuss your project or just to say hello!

### Castle Hill

Castle Hill Farm Cottage will be a replacement dwelling which is within Green Belt and immediately adjacent the Chilterns AONB. The building will be perceived as an extension to the landscape as it gently rises with the site's inclination; respecting the surrounding context. It will serve a young family.

As suggested at the beginning of the newsletter we have expanded significantly throughout 2015. We opened a Birmingham office in Spring and since then have had a notable increase in size in the company. Starting from the top here are the newbies Daniel, Mark, Luke (all Assistants), Earon (Associate) & Victoria (Human Resources).

### Northchurch House, Hertfordshire

Here are a couple of photographs to show the progress on Northchurch house, a new build. We are hoping for it to be completed and take professional photography in summer of this year.

Property photographs credit to Martin Evening.

Pancake day! Who doesn't love pancakes?! We made it a social event so the admin team made 14 pancakes over lunch for everyone!

### Kimbrook house

Kimbrook house is a glazed extension and alterations to a listed house that will be finished in the coming months. We cannot wait to get professional images of this interesting project!
