## Beautiful open plan Villa in Thailand!

Koh Tao Villa, Thailand

Located on an elevated plot on the island of koh tao to the south east of thailand, in the 'gulf of thailand', this magical plot has panoramic views of the ocean. This simple rendered contemporary solution with mono pitched roof and elegant fixed glass surrounding a double height living space with louvers to the upper level to prevent the building from overheating. The lower section of this space has sliding doors to provide a dramatic living space with cantilevered stairs, open dining and extraordinary views befitting of this wonderful location.

## High Wycombe House

Located on the outer edge of High Wycombe this residential plot sites on the outermost edge of the town and as such has a befitting connection to the surrounding woodland. This offers an opportunity for the house to address the ribbon development street scene but also the adjacent wood. The building is compact and efficient and provides an open L-shaped plan focused on the woodland.

The exciting contemporary Residence Curzon Park North is in the process of being built, due for completion in Spring 2017.

## Hadley Wood, Barnet

A replacement dwelling created as a contemporary and sustainable family home located in hadley wood, the residence has been designed to blend within the open fields located on one side of the site. stylish glazing systems have been used to optimise the stunning landscape views from the back of the property.

The Euro 2016 is in full swing so we thought it would be fun to have a sweepstake, both bedford & birmingham are involved. Everyone contributes £1, winner takes all!

We had another international lunch with the Bedford Team in May. We had loads to eat including home made bread, a spanish omelette, a crumble and lots of other delicious goodies!

Some lovely new faces joining our Team. Bob Moxon started last summer at our Birmingham team as an assistant (Only just got a photo of him!). Amy Flecknell has joined as an Admin Assistant, While Marie Bromilow has joined as an Associate, both of which are working in the Bedford Office and have May,

Recent planning approvals...

- 250m2 house extension in Alconbury Weston, Huntingdonshire
- 330m2 barn conversion - change of use from agricultural to residential in Lifton, West Devon
- Conversion of agricultural barn to a dwelling on a green belt site, Soulbury Buckinghamshire

As the chairman for RIBA East, Nicolas presented the RIBA East Student Award 2016 to Rafael Viegas Ramos from Norwich University of the Arts. Seen above are them both discussing Rafael's winning project!
