Summer social with the whole team!

Visit to 78 Derngate, Northampton

Say hello to our NTA team! Unfortunately it's quite rare for the Bedford and Birmingham teams to have socials together due to the distance but for our summer social we decided to have an afternoon out in Northampton, where we visited 78 Derngate (the only house in England designed by Charles Rennie Mackintosh) which was brilliant before heading out for dinner to a local Italian!

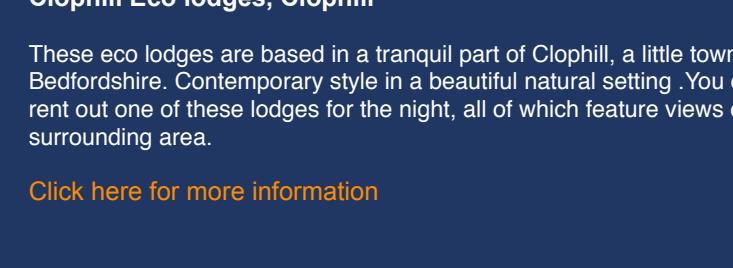

continued below (right)...

Limassol Apartment, Cyprus

Located along the sea front of Limassol are two newly constructed apartment blocks providing private residential accommodation and luxury leisure facilities with direct access to the beach. Nicolas Tye Architects were appointed to design and oversee the fit-out of a high quality apartment taking up the entire fifteenth floor.

Tolmers Park, Hertfordshire

Tolmers Park is a grade II listed building which we have added a single storey flat roof extension to the rear. Some excavation was required to align the internal lower ground floor level with the external garden level. The extension has been carefully designed to preserve and respect the character and appearance of the existing grade listed property.

Fishpool Houses

The fishpool houses are a pair of contemporary new build houses in the St Albans city centre, within the conservation area and close to the cathedral. The simple contemporary type forms possess an acute vertical emphasis, which acts as a polite nod to the neighbouring terraced properties.
