

Derek Lee, Senior Associate

Derek has over 10 years experience within the education, commercial and private sectors. He is a Chartered member of the RIBA and is registered with ARB.

His experience includes delivery on a number of primary schools as part of the Coventry Increasing Pupils Places Programme, Birmingham and Stoke BSF secondary schools and the refurbishment of the Guy Nelson Hall for Warwick School, all at a previous practice. He was Project Architect from builds valued between £150k and £7.5m in a variety of different sectors.

He is currently working on a number of luxury residential developments and is passionate in delivering projects with a strong conceptual design whilst maximising clients brief in delivering measurable value.
